

Your romantic treasure hunt has begun
Now is the time to have some fun
Go to the place where you see your face
You'll find the first clue in this space!

You're the one I love with all my might
That love is what I want for tonight
Are you bursting at the bubble?
Now it's time to complete the puzzle!

Your kisses for me I want times three
Look to find where we keep things cold
Where to go next is what you'll be told!

Our first date was something special
After that night, I could see our potential
In this place are books from the past
After that night, love came fast!

Love you once, love you still
I always have and always will
Make sure you stop and take a look
You'll find the next clue in your favorite book!

Remember the night we had so much fun?
There was pizza, cider, and beer.
Now let's go, and take me there, my dear!

The way you look at me, the sparkle in your eyes
It's amazing when we're together how time flies
Find the place of underthings and lace
To find the next clue and continue the race!

With some time and candlelight
I'll be the maiden and you'll be the knight
So, Sweetheart, now take me home
Then together we can spend time alone!

Roses are red
Violets are blue
Let Hedwig deliver your last pieced clue!

I hope you enjoyed it
I hope it was fun
Maybe next year
You can make me one!
