

I love to read &
my name means Beauty.
I saved my beastly prince
from death, truly.

Belle

I fell in love
with Hans from the start
Then, my sister put ice
in my heart.

Anna

**A MAN
I PRETEND TO BE
TO BRING HONOR
TO MY FAMILY.**

Mulan

I live with the fish
in the sea
Part of Your World,
I want to be.

Ariel

Cursed as a baby
and hidden away,
As a teen I prick my finger
& asleep I stay.

Amreeg Bundeets

Too many chores
I must do
Until the prince
finds my shoe.

Cinderella

A whole new world
is what I want
Raja is my confidant.

Jasmine

I'm trapped in a tower
with hair so long
It glows bright
& is so strong.

Rapunzel

Her gift is powerful
and yet a curse.
Only true love
can reverse.

Elsa

My lips are red &
skin as white as a dove.
I'm wishing for
my prince to love.

Snow White

I love to read &
